

Test Prep is for students who are preparing to take the SAT, SAT II Subject, the iBT (TOEFL) , or IELTS exams. They will learn high-level testing strategies, vocabulary acquisition through mnemonics, and receive feedback broken down by specific question types.

Monthly practice exams and comprehensive test review sessions ensure that students retain what they learned in each class period

TEST PREPARATION

- SAT include Reading, Writing, and Math.
- SAT II Subject tests include Biology, Chemistry, Physics, Math 1C, Math 2C, U.S. History and World History.
